VINCENT C. SUMAYOD

AI UGC Specialist | Short-Form Video Ads

Philippines (Remote) · +63 956 539 3550 · Sumayodv22@gmail.com · LinkedIn

SUMMARY

AI content creator producing UGC-style video ads and hooks for TikTok, Reels, and Meta Ads. Hands-on with AI video generation, prompting, scripting, and short-form editing using Veo 3.1, Kling, Seedance, Minimax HD, Higgsfield, and CapCut. Backed by 2+ years in US healthcare customer service and 6 months in chat-based sales, which sharpened my persuasion, clear communication, and client retention skills.

AI CONTENT PROJECTS (SELF-DIRECTED)

AI UGC Content Portfolio | Concept/Sample Work **Present**

- Creating UGC-style video ads, hook variations, and product visuals across multiple niches to build a client-ready portfolio.
- Generating video with Veo 3.1, Kling, Seedance 2.5, Minimax HD, and Omniflash, with Higgsfield, Weavy AI, Maxfusion, and NewFace AI for visuals and avatars.
- Writing scripts and hooks with Claude, ChatGPT, and Gemini, and editing in CapCut with captions, pacing, and platform-ready exports.
- Designed and built a portfolio website with Whop AI to showcase work, resume, and contact options.

WORK EXPERIENCE

Chat Specialist (Creator Management) | Creator Management Agency **6 months**

- Managed chat-based engagement for 3 to 5 creator accounts, focusing on relationship-driven conversations.
- Generated an estimated $2,500 to $4,000 in total revenue across those accounts (client data no longer available).
- Reported results weekly and tracked performance per account.

Prior Authorization Specialist (Seasonal) | Access Healthcare **April 2025 – July 2025**

- Handled prior authorization requests, including initiating requests, verifying requirements, and tracking approvals and denials.
- Reviewed clinical details on denials and coordinated corrections that met payer and insurance guidelines.
- Maintained case statuses and documentation in the EPIC EHR system.

Healthcare Customer Service Representative, Medicare Advantage | Everise Philippines **October 2023 – January 2025**

- Educated members on Wellcare Medicare Advantage benefits and resolved claims and billing concerns.
- Scheduled medical and transportation appointments and routed members to the correct agent or department, reducing repeat-call escalations.
- **Ranked Top 2 agent in CSAT (2024).**
- HIPAA certified.

Healthcare Customer Service Representative, MAPD and Financial LOB | Teleperformance **June 2022 – June 2023**

- Explained DSNP and MAPD plan benefits and handled provider searches, plan network questions, and scheduling.
- Resolved HSA, FSA, and HRA balance and account-status inquiries; escalated repeat claim issues to the proper teams.
- HIPAA certified.
